SUMMERART 2022

KIDS CAMPS & TEEN CLASSES

YARD SCHOOL OF ART VANCE WALL ART EDUCATION CENTER

WELCOME TO SUMMER**ART** 2022!

At the Montclair Art Museum, we care about your child and believe art can enhance their health and happiness by cultivating creativity, self-expression, personal growth, friendships, and making the most of summer vacation! Art camp is for everybody, not just for artists.

Campers ages 6-12 will harness their imaginations through creative expression and explore nature, architecture and engineering, history, literacy and storytelling, and social and emotional learning. Two-week studio camps are full-day and each session will emphasize different skills and projects to keep campers interested and engaged. SummerART at Van Vleck House & Gardens Art and Nature Camp is now also full-day! In addition to Studio Camp, older kids can also register for morning-only camps in wheel-throwing ceramics or digital media.

Young teens ages 12-15 may choose from a range of morning and afternoon classes from traditional fine arts media such as drawing, painting, illustration, and ceramics to contemporary practices in digital art, street art, and zines. All SummerART programs are taught by professional teaching artists and are designed to cultivate imagination while developing artistic skills in a nurturing and inclusive environment. Supervised lunch is now provided for teens who stay all day.

New this year, **Adult SummerART Camp** is open for parents and caregivers—and anyone 16+—who want to get creative and have fun too! These week-long morning studio programs take place the second week of each session and are for all

levels of experience and abilities. Weekly adult classes and weekend workshops are also offered this summer.

Safety remains a priority at MAM and camp COVID-19 safety policies will align with CDC and state guidelines for summer camps and local safety requirements. Classes and camps will take place in our spacious studios and outdoors on the Museum grounds. All campers and MAM staff are required to be vaccinated for COVID-19. Please check our website for updates to our COVID safety plan.

Whether your child or teen joins us for one session or all summer, we can't wait to get to know you and your family. MAM staff and instructors are committed to providing an **inclusive experience that embraces the rich diversity of our community**. **Scholarships** are available based on merit and financial need. We are also pleased to offer financial assistance for children with disabilities and special needs. Everything you need to prepare for SummerART is right here. Please check www.montclairartmuseum.org for the latest updates, scholarship and financial need information, and to register.

If you would like to discuss your child's interests and needs to find the best program and schedule, give us a call at 973-259-5139 or email yardschool@montclairartmuseum.org.

In the event of an emergency, the MAM staff will seek outside medical assistance. Nuts and nut products are not permitted during camp, and the museum uses non-toxic art supplies for kids studio classes; however, MAM does not guarantee that it is an allergen-free facility.

In the event that I cannot be contacted and the person that I have designated cannot be contacted or in the event of an emergency where there is not sufficient time to contact me or my designee, I hereby authorize MAM's staff to act on my behalf with regard to medical treatment of myself or my child. Without limitation, I authorize transportation and medical treatment for me or my child. I understand that the staff of MAM will make every effort to contact me, or my emergency contact, during an emergency.

My child has permission to take part in all activities at MAM. In addition to activities that take place on MAM grounds, I give my child permission to take walking tours under the supervision of MAM staff.
